

# NDIS Cleaning & Yard Maintenance

Let our friendly team assist you with your household needs.

## Our Services

Everyone needs a little help keeping things clean and tidy around the house and yard. Our professional NDIS cleaning and maintenance services help you keep on top of things by taking care of those household tasks you may have trouble doing yourself.

Whether you need some help doing laundry, keeping your lawn tidy or cleaning those hard-to-reach places around the house, we can tailor a solution to suit your circumstances.

### HOUSEHOLD CLEANING & UPKEEP

Cleaning and essential household tasks to help you maintain a neat and tidy home environment.

### YARD MAINTENANCE

Support with the upkeep of your lawn, driveway, garden, and the exterior of your home.

### LAUNDRY SERVICES

The provision of clean clothes and linen, including help with washing, drying and ironing.

## Eligibility

If you are an NDIS participant and you have a condition that affects your ability to take care of cleaning and maintenance tasks around the house, our cleaning and yard maintenance services may be the solution for you.

Eligible participants can use their NDIS funding to cover essential cleaning and upkeep of their home environment. Get in touch today to find out how we can tailor a solution to suit your needs.

## About TRISS

TRISS provides support to people of all ages with disabilities in the Port Macquarie Hastings area.

We strive to empower people with a disability to achieve their goals and engage in opportunities in a supported and inclusive environment. Whether you'd like to maintain positive social connections, get involved in the community, improve your physical and mental health, or just need some help with daily tasks, we can tailor a support plan to meet your needs.
